12:30PM - 4:30PM | LEWES LIBRARY

Hosted by Dr. Uday Jani and Honoring Choices® Delaware

Let's face it...those New Year's Resolutions are difficult to keep. So, let's check one off together...**Making end-of-life decisions about what matters most.**

Join us for a *free* workshop focused on making informed end-of-life decisions. We'll guide you through activities designed to help you clarify and document your goals and preferences for an Advance Directive by formalizing what matters most to you. Time will be spent through self-reflection on the kind of legacy you're leaving, and what you will pass from one generation to the next. You will also have the opportunity to determine how you want to share your life story.

To register, contact Nicole Fullmer at 302-545-5103 or nfullmer@delawarehospice.org. Our workshop is limited to 25 participants, so register today!
